Hall Carpeting

This project is scheduled to begin mid-Aug.

All 10 floors will be carpeted.

Work hours will be approx. 7:30am-4pm and estimated to take 3-4 days per floor.

It is anticipated that there will be about 4 hours when you will need to be in your apartment due to tear out, gluing, dry time etc. and to allow access to the threshold.

Your apartment door will need to be opened two times for a short period to remove and install carpet at the threshold.

Schedule/details may change as the project progresses.

Keep an eye open for signs with additional information.

Faith Haven Picnic

Noon- Thursday, August 30th
in the backyard
(weather permitting).
Faith Haven Board of
Directors and staff would
like to show their
appreciation for all of you by
throwing a picnic for all
residents.

Pet Waste Areas

We have asked that pets not be taken to
the clothes line area, we are also asking
that pet owners avoid
the areas directly in front
of the gardens.
Gardeners are kneeling
in those areas and
moving about and have
encountered pet waste
that has not been picked up or partially
picked up!

ICK!! Please be a responsible pet owner!
There is plenty of green space in the center
of the yard or on the
North side of the building between the last
raised garden bed and the perennial garden
in the corner.
If you have guests/family members who are
taking your pet out, please ensure they
know the rules.

Housing and Redevelopment Authority

Some tenants have gotten mail from HRA
stating their name is near the top of the
Section 8 waiting list and that an
appointment has been scheduled.
It reads Eligibility Interview on the top of the
white letter.

It is VERY important that you pay attention
to this mail and attend the meeting.
The meeting is the first step toward getting
your VOUCHER.

Also, in the envelope is a form titled,
Section 8 Full Application
and is typically blue.

There are several documents and proof of
income/medical expenses that you will
need to gather for this appointment.

Let me know if I can help in any way.

If your letter references

Low Income Public Housing

this is not part of the voucher process.

A meeting for Low Income Public Housing
would be if you were choosing to move out
of Faith Haven.

Feel free to ask me questions.
