North-East Stairwell

Construction will begin this month on the North-East stairwell.

Currently, there is concrete construction overhead & screening from waist level up.

The original 1968-69 design exposed this area to the elements. 45+ years of exposure to wind, rain, snow, ice, etc. have caused structural problems.

To combat any further damage to the building, the area will be glassed in. It will be fully enclosed like the South-West stairwell using glass instead of concrete.

There may be noise associated with this project and we appreciate your patience and understanding.

Faith Haven Craft & Bake Sale

Saturday, October 7 from 10:00 – 2:00pm in the Community Room.

Come check out the abundance of arts and craft made by fellow tenants and other talented folks.

You'll find items like:

Afghans, knitted clothing, fleece blankets, cards, canvas bags, photography, silk scarfs, jewelry, LOTS of baked goods, and so much more!!

The building will be unlocked during this event.

Office & Store Closure

The Heat is on

The boilers have been fired up! Your heat dial shows 1-5.

The higher the number the warmer the temp. The dial goes beyond 5 for even more heat!

Decorations

Floor lobbies are looking festive and Fallish!

It's a fun time of year with 3 months of big holidays to celebrate and decorate.

Remember to include new tenants who may want to be part of the decorating group.

*** Please refrain from using motion activated decorations in the lobby or apartment doors as it may be startling to others. Most decorations of this type have on/off switches or ability to remove the battery.

“Trunk or Treat”

Our Saviors Lutheran Church will again be hosting “Trunk or Treat” Gather for a spooky time treating the kids.

Be in the parking lot at 4:30 on Tuesday, October 31 with your treats for the goblins.

All are welcome
